BAAN DEM RAK

HOUSE FULL OF LOVE COMMUNITY CENTRE

OUR VISION

“To see communities fulfilling God's purpose for their lives -
aware, restored, empowered and free”

ABOUT BDR

We are here to broaden the opportunities for the people of Santitham, help them find God's purpose for their lives and empower them to achieve it.

Our theme for 2024 is to help people in our community to “know God and make God known”.

2023 WAS A YEAR OF GOD'S MIRACLES

During the Christmas season, a mission team from Singapore had the opportunity to go on home visits. Many people in the community heard the good news and some accepted Jesus Christ. Some received healing from God, and someone even regained her hearing after being deaf for many years.

As the community Christmas party started on 10 December 2023, we had over 100 attendees and it unexpectedly began to rain. Some people started to leave to take shelter, but our team believed in God for a miracle. We decided to continue with the programme and prayed together with the mission team for the rain to stop. The Thai emcee, who is one of our YWAM elders invited everyone in the crowd to stand up and pray together. **The rain stopped immediately!** All who were present felt the miraculous power of God, especially the children who were so excited about what they saw. It was a beautiful and joyous sight to have 40 people come to faith that day.

GOD'S CALLING FOR US TO SERVE IN BDR

BDR STAFF TEAM

Year 2023 was also a year of abundant grace and blessings from God towards our staff team. The Thai staff had the opportunity to go for YWAM Discipleship Training School, despite the relatively high expenses. God provided everything in His time. The ministry leader also had the chance to take a sabbatical after serving for 8 years. We believe that 2024 will be a year of harvesting what has been sown.

Sheryl (Ministry Leader)

Since I was in university, God gave me a burden for mercy ministry. Serving in BDR opened my eyes to a community that people usually don't see. I want to bring God's hope, life, and purpose to this community that He loves.

Mot (Centre Manager)

I believe God chose me to work at BDR. During my DTS in 2023, God confirmed three times regarding the work I do. I know that He wants me to be in a place where I can love Him, love others, and love myself. It is here that I want to know God and make Him known. I am proud of myself and believe that God is proud of me too.

Thip (Hospitality Coordinator)

During my final year at university, I felt a burden in my heart to work with a Christian organization so that I can help people to the best of my abilities. Serving at BDR has been a great experience for me as I grew in my faith. I experienced God's love, grace, and provision, and could also pursue my own dreams.
